Work Experience

Frontend Developer | UtoR Solutions Pvt. Ltd

Islamabad, Pakistan | 02/2021 – 05/2024

- Developed responsive web applications using HTML, CSS, SASS, JavaScript, and React, ensuring seamless user experiences across devices.
- Translated Figma designs into pixel-perfect, interactive front-end interfaces using HTML, CSS, **Bootstrap** and JavaScript.
- Collaborated with a team of developers to troubleshoot and resolve front-end issues, improving functionality and performance.
- Managed project timelines and provided regular status updates to stakeholders, ensuring alignment with project goals and deadlines.

UI/UX Designer Internship | NITB (National Information Technology Board)

Islamabad, Pakistan | 10/2022 – 12/2022

- Collaborate with senior designers to create intuitive, user-friendly interfaces for different platforms.
- Designed user-friendly interfaces and user experiences (UI/UX) using Figma.
- Apply my practice in designing UI elements and creating seamless user experiences across multiple projects.
- Developed interactive and responsive websites using HTML, CSS, and Bootstrap, adhering to modern web standards and best practices.
